

## The Command of Scripture.

*Ps 78:4 ....we will tell the next generation the praiseworthy deeds of the LORD, his power, and the wonders he has done. 5 He decreed statutes for Jacob and established the law in Israel, which he commanded our forefathers to teach their children, 6 so the next generation would know them, even the children yet to be born, and they in turn would tell their children. 7 Then they would put their trust in God and would not forget his deeds but would keep his commands.
